### **ARTS & LEARNING CONSERVATORY VISION**

We exist to make high quality arts, equitable and accessible to all children, regardless of socioeconomic status.

The Arts & Learning Conservatory is a highly awarded, leading after-school arts provider in Orange County. Our high-quality arts programs are accessible to all children regardless of income or background as our goal is to set students up for success in life artistically, academically, and socially. Founded in 2004, the Arts & Learning Conservatory (ALC) has reached over 30,000 children across numerous campuses throughout Southern California.

### **POSITION OVERVIEW**

We are searching for motivated, talented, and experienced individuals to join the Arts & Learning Conservatory this fall as Teaching Artists! With theatre and music classes across Orange County, we offer opportunities to connect with communities and bring the arts to all students. At ALC, our mission is to "provide students of all ages, backgrounds, and skill levels the opportunity to learn and excel in an immersive environment of world class performing arts." To achieve this goal, we need outstanding teachers to lead our classes and inspire a future generation of young artists. If this is you, we would love to hear from you to discuss a future with our organization.
